Kath laughed and rolled back to stare up at the ceiling. "You're just like us, aren't you," she said. "You don't know where you came from either. ". Jay sat at an empty booth while Colman collected two coffees from the counter, then inserted' his Army pay-card into a slot. In a lot of ways lay reminded Colman of himself when he was a lot younger. Colman had acquired his name from a professional couple who adopted him when he was eleven to provide company for their own son, Don, who was two years older. They hadn't wanted to disrupt their careers by having another child of their own. Colman's stepfather was a thermodynamics engineer involved with heat exchangers in magnetohydrodynamics systems, which accounted for Colman's early interest in technology. Although the Colmans had done their best to treat both boys equally, Steve resented Don's basic schooling and was jealous when Don went to college to study engineering, even though he himself had then been too young W do the 'same. The rebelliousness that" had contributed W Steve's being placed in the home for wayward adolescents from which he had been adopted reappeared, resulting in his giving the couple some hard times, which upon reflection he felt bad about. For some reason that Steve didn't understand, he felt that if he could help Jay realize his potential and use the opportunities he had, it would make up for all that. Why, he didn't know, because nothing he did now could make any difference to the Colmans, who were probably old and gray somewhere, but he felt he owed it to them. People's minds worked like that. Minds could be very strange. "Yeah. And you're wearing a Hawaiian shirt. Plainclothes cops like Hawaiian shirts, 'cause you can hide. Paula was looking at him impishly. "Do you think you could beat mine?" she asked in a curious voice. grass extended from one side of the lot to the other, but it provided a scant twelve feet of turf between. door at the farther end. This space is also a cooler, with perforated-metal storage shelves on both sides. Lechat cut him off with a wave of his hand. "Don't make any noise," he said to the whole group, who were crowding around in astonishment. "Everything is okay." He signaled Borftein over with another wave of his hand. Over by the door the soldiers had dragged in two unconscious guards, and two of them were already putting on the SD uniforms while the steward handed them two automatics, which he produced from inside the napkin he was carrying. "There isn't a lot of time," Lechat advised Wellesley and Borftein. "We have-to get you downstairs and into the Communications Center. Now listen, and I'll give you a quick rundown on the situation. ..or Kingsley, Wycliffe, Crispin. You'd grow old and die trying to find a Jim or Bob among them. Dr. Spears also adorns one wall. He walked eastward, through the warm gusts of wind stirred by traffic, alert for any indication that he. Bernard looked at him suspiciously. "Just what are you up to now? ". Fallows left the monitor room, crossed the floor of the Drive Control Subcenter, and exited through sliding double doors into a brightly lit corridor. An elevator took him up two levels to another corridor, and minutes later he was being shown into an office that opened onto one side of the Engineering Command Deck. Inside, Leighton Merrick, the Assistant Deputy Director of Engineering, was contemplating something on one of the reference screens built into the panel angled across the left corner of the desk at which he was sitting. She hated searching for her mother like this. She never knew in what condition Sinsemilla would be. what he believes. Every hour of survival will bring him closer to ultimate freedom, and each new sunrise. Leading with her good leg, dragging her left, long-practiced grace abandoned, hard-won dignity lost, self-loathing were the two bartenders who served her, and right now she felt freer of both than she'd. What troubled Fulmire was the specter of Kalens's emerging from the midst of it all as a virtual dictator, with Borftein supporting him and straining to be let off the leash. Every faction would see such a concentration of power as a potential battering ram to be harnessed exclusively for the advancement of its own cause, and even more as an instrument to

be denied at all costs to its rivals. In an explosive situation like that anything could happen, and Fulmire had visions of the whole Mission tearing itself apart in internecine squabbling with a strong possibility of bloodshed at the end of it all when frustrations boiled over. The only force that he could see with any potential for exerting a stabilizing influence was the more moderate consensus as represented by the Mayflower I/s population as a whole; and Lechat, possibly, could provide a means of mobilizing it before things got out of hand..hearts, wounded minds, torn spirits.."I have no idea," Colman said, grinning. Even Celia found that she had to bite her lip to prevent herself from laughing. "So what happened? Did you send them back up?"..fish for which so many nets have been cast..Finally, he starts up toward the second floor. The stairs softly protest.
